August Monthly Report (7/1/00 - 7/31/00)

Dear Mr. Dobson:

This letter is in response to a request for additional information dated March 29, 2001.

- A) Please find the enclosed amended Schedule A supporting line 12. The transfers from *The Judicial Gregg Committee* and *Friends of Senator Nickles* were incompletely disclosed as "transfer" when, in fact, they were "transfer of excess funds". Pursuant to §113.2(c), there is no limit on this type of transfer and, therefore, no additional transfers or refunds are necessary. In addition, the NRSC transferred the excessive contribution from the Mashantucket Pequot Tribal Nation from the federal account to the non-federal account on April 22, 2001. Please see attached transfer request as well as the 2001 April Monthly report.
- B) The transfer from the 2000 Republican House Senate Dinner has been accurately reported on the NRSC August Monthly report. Please see attached copy of the check from the 2000 Republican House Senate Dinner. The 2000 Republican House Senate Dinner has filed an amendment to their October Quarterly Report regarding this transfer.
- C) Please find the amended Schedule A supporting line 11c providing the full committee names.
- D) On Line 12 of the Detailed Summary Page, we reported \$22,500 in transfers from the 2000 Republican House-Senate Dinner joint fundraising committee. As of July 31, 2000, the NRSC has provided memo Schedule As from the Dinner committee totaling \$291,242.50. To the extent that this transfer does not have an equal supporting Schedule A, all of the contributions associated with the transfers were reported on memo Schedule A in prior reports.

Sincerely,

D. Jan McBride
